Engage in a lively discussion with

Gina Dennik-Champion MSN RN MSHA
Executive Director
Wisconsin Nurses Association (WNA)

Regarding the
Affordable Care Act:
Current status and future practice

Ms. Dennik-Champion has been intricately involved as the Wisconsin Nurses Association created the WNA Health Insurance Enrollment Task Force in 2013 with the focus of nurse involvement and patient education. She is an active nurse leader that brings thoughtful discussion on nurse led innovation and thinking. This discussion will be apolitical and factual.

WNA is the professional association for all Registered Nurses in the State of Wisconsin. She works in close collaboration with the President and Board of Directors of WNA to accomplish the goals of the association. Gina represents WNA on a variety of state and private organization boards, committees and advisory councils. She also serves as WNA’s registered lobbyist. Gina is a frequent consultant and presenter on current issues in health care and nursing practice around the state.
